

58 CJS Players selected to the Northern IPT teams

We are proud to announce that 58 talented CJS players have been selected to represent Northern Gauteng in the upcoming Interprovincial Squash Tournaments, taking place from 28 June to 2 July 2025. These young athletes will compete against teams from across the country, showcasing their skills and sportsmanship on a national stage.

Selection to represent Northern Gauteng at the Interprovincial Tournaments (IPTs) is a significant achievement, and each player has worked hard to earn their place. The players were required to meet a set of selection criteria, including participation in the NJSA Closed Tournament. Only those who demonstrated commitment, skill, and sportsmanship throughout the season were considered for team selection.

Players in the U13, U14, U16, and U19 age groups will receive full Northern Gauteng provincial colours for squash, while U11 players will be awarded half Northern Gauteng provincial colours for their achievement.

The IPTs will be hosted and played in the following provinces/cities:

- U19 - Stellenbosch, Western Cape
- U16 - Bloemfontein, Freestate
- U14 - Johannesburg, Gauteng
- U13 - Botha's Hill, KwaZulu-Natal
- U11 - Polokwane (Pietersburg), Limpopo

Below are the CJS players who have been selected for the Northern Gauteng teams. **Congratulations to all selected players!** Your dedication and hard work have paid off, and we look forward to seeing you represent Northern Gauteng with pride at the 2025 IPTs.

We are very proud that some of the teams consist only of CJS players!

Behind every player's name on this list stands a group of people. To the Coaches, Parents and Teachers, who believed, guided, encouraged, and stood strong – even on the challenging days - THANK YOU!

This achievement is a reflection of the players' dedication, the unwavering support from our coaching team, squash teachers and the sacrifices and commitment of our parents. Thank you for being part of this journey – for the early mornings, the words of encouragement, the lifts to training, and the belief in every young player's potential.

Together, we are building something significant at Centurion Junior Squash – a space where talent grows, character is shaped, and dreams are made possible.
