

CJS Players shine at the 2025 Interprovincial Tournaments

What an unforgettable week it's been for our CJS players! From Polokwane to Stellenbosch, our juniors proudly represented the **Northerns Junior Squash Association (NJSA)** at the **2025 Interprovincial Tournaments (IPTs)**, held from **28 June to 2 July** across South Africa.

Whether they were chasing their first IPT experience or gunning for gold, our players gave it their all — showing heart, hustle, and incredible team spirit.

To every **manager, coach, parent, and supporter** — thank you for the countless hours, the encouragement, and the love you poured into this week. Whether you were packing meals, sending voice notes from the sidelines, or calming nerves between matches — your support means the world.

And to our players: **you made us proud**. Your passion, team spirit, and sportsmanship turned this tournament into a celebration of everything we believe in at CJS.

Here's how the week unfolded across the age groups:

U19 – Ups and downs in Stellenbosch (Western Cape)

It was a challenging week for the U19s. Our No.1 player, **Judah Phillips**, sadly fell ill during the tournament, making things tough for the Boys team.

But the **U19 Girls stepped up big time**, playing like champions and bringing home:

SILVER for the U19A Girls

Sometimes it's the challenges that bring out the best in us — and our U19 teams showed resilience and heart to the very end.

U16 – Cold conditions, hot results in Bloemfontein!

Despite chilly weather in the Free State, the NJSA teams brought the heat:

GOLD for U16 A Boys

GOLD for U16 A Girls *(A full CJS lineup!)*

GOLD for U16 B Boys

An all-around powerhouse performance in Bloem!

U14 – Grit and glory in Johannesburg (Gauteng)

The competition was fierce at Western Rackets, but both NJSA A teams held their own and walked away proud:

BRONZE for the U14A Boys

BRONZE for the U14A Girls

Tough matches, brilliant rallies, and serious determination on display.

U13 – Total domination in KwaZulu-Natal!

Our CJS stars were absolutely on fire in **Botha's Hill**:

GOLD for the U13 A Boys *(all CJS players!)*

GOLD for the U13 A Girls *(all CJS players!)*

GOLD for the U13 B Boys

Three golds and a clean sweep — what a statement!

U11 – Our young stars lit up Polokwane (Limpopo)

The U11 tournament is all about learning, playing, and making memories — and our players did exactly that. Several **NJSA Boys U11 teams (made up entirely of CJS players!)** went unbeaten, and our girls showed grit and growth throughout the festival.

While no medals are awarded at the U11 level (since it's a development-focused festival), the **experience was pure gold** — a powerful start to their squash journeys and a week they'll never forget.

Enter now: 2025 CJS Dunlop Open Tournament — 1 to 3 August 2025

We're thrilled to announce that the annual **CJS Dunlop Open Tournament** is open to enter! We are looking forward to welcoming players from across South Africa for another exciting weekend of squash action.

We would love to see *all* our players involved! This tournament is open to everyone, from our enthusiastic **Social Saturday** group to our committed **Intermediate and Provincial players**.

- Entry fee: R370 per player
- Get your tournament shirt: R260 per shirt

•

We need your help

We are also reaching out to our amazing parent community — we **urgently need helping hands** behind the scenes with tasks such as **marketing, securing sponsors, making practical decisions**, and simply being **CJS ambassadors at the courts**. Your involvement truly makes a difference. More details will be shared soon on the WhatsApp groups, so stay tuned and get ready for a fantastic weekend of squash!

Squash love,

Maryna Fourie
