

CJS Prestige Awards Evening: A Night of Gratitude & Celebration

On Friday, 21 November, the CJS players, parents, coaches, and special guests gathered at Hoërskool Zwartkop for our annual CJS Prestige Awards Evening — a night filled with pride, smiles, and a whole lot of gratitude. This year's theme, "Gratitude is the best attitude," set the tone beautifully as we celebrated players' achievements — from individual performances and school league teams to the Northern Interprovincial squads and the Worlds squad!

With Brett Cousins keeping the room laughing as our witty MC, and a heartfelt message from NJC Chairperson Etienne Badenhorst, the evening felt truly special. Every player honoured on stage reminded us why CJS is such a strong community — full of heart, hard work, and passion for squash.

Our gratitude and heartfelt thanks go to everyone behind the scenes who helped to create a memorable evening!
