

23 CJS Players Set for SA's Top 16 Battle

Hi

Centurion Junior Squash is bursting with pride as **23 CJS players** have been invited to compete in the prestigious **SA Junior Closed Top 16 Tournament**, taking place this coming weekend at Parkview Squash Centre.

Qualifying for a Top 16 event is a remarkable achievement and a true reward for months of dedication, discipline, sacrifice, and consistent performances throughout the season. It is where the country's top junior

players come together to battle for national ranking positions, and we are honoured to have such strong CJS representation.

This year also brings exciting new milestones for South African junior squash. For the **first time ever**, our **U13 players** will take part in this tournament to determine their positions on the SA Junior Ladder—a special moment for our younger stars as they step onto a bigger stage.

Our senior players will also compete for the first time in the newly introduced age groups of **U15, U17 and U19**, adding a fresh and exciting chapter to junior squash in South Africa. We expect a weekend filled with passion, courage, skill and top-class squash.

If you would like to enjoy some outstanding junior squash and support our CJS players as they showcase their talent, fighting spirit and character, feel free to follow the draws and schedule on the SportyHQ app.

Please check out the photos of our other players on our [Facebook page](#)!

A Special Message to Our 23 Champions

To each of our 23 players—please know how proud we are of you. You earned this opportunity through hard work when nobody was watching, through discipline when others rested, and through belief when challenges came your way. You are not just attending this event—you belong there.

Walk onto those courts with heads held high. You carry the badge of CJS, but more importantly, you carry the values of courage, humility, heart, and perseverance. Whether you win or lose a match, nothing can take away what you have already achieved by reaching this level.

You are deeply valued, greatly admired, and celebrated by your coaches, parents, teammates and the entire CJS family. This weekend, play free, play brave, and enjoy every moment. You have already made us proud beyond words.

Congratulations to the following players who have been invited to play in the SA Junior Top 16 Closed:
