CJS Players Shine at NJSA Closed 2026

From 15 to 17 May 2026, 89 players from Centurion Junior Squash competed in the NJSA Closed Tournament across Pretoria, one of the key events for players aiming for Northerns IPT selection.

It was a challenging weekend filled with tough matches, long days, and plenty of determination on court. We are incredibly proud of every CJS player who competed and represented the club with resilience and sportsmanship.

A big thank you to our parents for their continued support throughout the tournament, and to the NJSA team for hosting another excellent event. Keep an eye out for our next newsletter, where we'll proudly share the names of all the CJS players selected to represent their

province at the upcoming Inter-Provincial Tournaments in June.
